In re Patent Application of

H. KAWAMOTO et al.

Serial No. 10/629,568

Group Art Unit: 2832

Filed: July 30, 2003

Examiner: FISHMAN, MARINA

For: GAS-INSULATED SWITCH

TRANSMITTAL OF CORRECTED FORMAL DRAWINGS

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

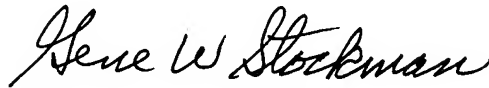

Sir:

Pursuant to the Notice of Allowability dated June 23, 2004, Applicants submit herewith four (4) sheets of corrected formal drawings (Figs. 1, 2, 5 and 6). Please substitute the enclosed corrected sheets for the originally-filed Figs. 1, 2, 5 and 6 drawings. None of the other sheets of drawings requires correction.

While the Notice of Allowability only referred to corrections to Figs. 5 and 6, the Request for Approval of Proposed Drawing Corrections filed May 20, 2004 also requested approval of minor changes to Figs. 1 and 2 with respect to the lead lines for numeral 302, in Fig. 1 and numeral 202 in Fig. 2. Since these changes to Figs. 1 and 2 were already approved in parent application Ser. No. 10/117,126, however, Applicants are also submitting the corrected drawings for these figures.

Please charge any additional fees resulting from this
action to Deposit Account No. 50-1417.

Respectfully submitted,

A handwritten signature in cursive script that reads "Gene W. Stockman".
